Hello Rep. Lavin,

I will definitely send your email on to Senator Sales. Would you like to leave a proxy with someone in case the LJIC has to vote on something? The only thing I know that will come up is the authorization for staff to put in placeholder bills for the agency legislation. Otherwise, I'm not sure what else might require votes.

Travel safe and have fun with moving day! That sounds like quite a task.

Rachel - FYI, I won't be able to make it to this meeting, I'm moving my son to NV all week! Could you please forward this to Chairman Sales' email?

Thanks,

Steve Lavin
